

Dear Client:

Dent Moses, LLP, is pleased to provide you with the professional services described below. This letter confirms our understanding of the terms and objectives of our engagement and the nature and limitations of the services we will provide. The engagement between you and our firm will be governed by the terms of this Agreement.

***Engagement Objectives, Scope and Approach***

You have received a loan from a lender approved by the U.S. Small Business Administration (“SBA”) under the Payroll Protection Program (“PPP”) established by the Coronavirus Aid, Relief, and Economic Security Act. You have requested that Dent Moses, LLP, assist you with the assembly of your Paycheck Protection Program Loan Forgiveness Application issued by SBA (hereinafter, the “Application”). Additionally, we will assist you in the collection and organization of supporting documentation required to be submitted with your Application and documentation required to be maintained by you.

The scope of the services is limited to the foregoing. We will not be responsible for the submission of your Application to your lender. The scope of the services also does not include responding to or assisting with inquiries or audits of your PPP loan from either your lender or the SBA.

The rules, regulations and guidance related to this engagement and the preparation and submission of your Application are governed by federal regulations. Such federal regulations are subject to change, and therefore, may affect advice provided by us as part of this engagement. These effects may be material. You are responsible for understanding all forgiveness requirements and restrictions applicable to your PPP loan. You are encouraged to seek the advice of your own legal counsel before and during the entirety of the loan forgiveness process.

Our services are dependent upon the accuracy, completeness and timeliness of the representations and information that we receive from you. We will use financial information provided by you to assemble your draft Application. We will not verify or audit this information. Inaccurate, incomplete or untimely representations may result in an inaccurate submission of the Application by you and/or a loan forgiveness decision adverse to your interests.

This engagement is limited to the professional services outlined above. You may request that we perform additional services not contemplated by this engagement letter. If so, we will communicate the scope and estimated cost of these additional services in an amendment to this letter or a separate engagement letter to reflect the scope of such obligations and the obligations of both parties.

### ***CPA Firm Responsibilities***

We will perform our services in accordance with the *Statement on Standards for Consulting Services* issued by the American Institute of Certified Public Accountants (“AICPA”). Such services do not constitute an audit, review, or any other attestation service as those services are defined in AICPA literature applicable to such engagements. Accordingly, these services will not result in the issuance of a written communication to third parties by Dent Moses, LLP, regarding financial data or internal controls, expressing an opinion or conclusion or obtaining or providing any form of assurance.

The Firm, in its sole professional judgment, reserves the right to refuse to take any action that could be construed as making management decisions or performing management functions.

Our engagement does not include any procedures designed to detect errors, fraud, or theft. Therefore, our engagement cannot be relied upon to disclose such matters. In addition, we are not responsible for identifying or communicating deficiencies in your internal controls, unless otherwise specified in the scope of this Agreement. You are responsible for developing and implementing internal controls applicable to your operations.

We are not an SBA lender. The SBA lender to which you submit your Application controls the loan forgiveness process, and we have no involvement with, or influence upon, this process. We cannot guarantee that your Application will be approved and have no control over the terms or timing of this process once you have submitted the Application to your SBA lender.

We will not respond to any request from banks, mortgage brokers or others for verification of any information reported on tax returns or in your Application.

### ***Engagement Deliverables***

We anticipate that deliverables will include the following:

- Draft Application for your review and submission to your SBA lender; and
- Collection and organization of your documentation that is required to be submitted with your Application.

If your lender requires you to complete the forgiveness application in an online portal, we will assist you with that process in lieu of providing you draft application of the paper forms.

In addition, we will assist you with the collection and organization of other documentation that the SBA requires you to maintain.

The list of documentation that you are required to submit and maintain is included in the SBA’s PPP loan forgiveness application instructions for borrowers.

The deliverables presented as part of this engagement are limited to the use outlined in this Agreement and should not be used for any other purpose.

After we provide you with the deliverables, we shall have no obligation to update or revise the calculations reflected in our deliverables, if new information, future events or changes in applicable laws and regulations affect the observations or conclusions reflected in those deliverables.

You understand and agree that our services may include advice and recommendations based upon our knowledge, training and experience, but at all times, the decisions related to implementation of the advice or recommendations are solely your responsibility. We encourage you to consider our recommendations and advice and implement what you believe is best for you.

If, for any reason, we are unable to complete the engagement, we will not issue a deliverable.

Support includes, but is not limited to, the collection of all relevant documents (paper or electronic) and the scheduling of interviews and coordination of meetings, if needed. Failure to receive such support in a timely manner may negatively affect our ability to fulfill the scope requirements described above within the agreed-upon timeframe.

It is your responsibility to ensure that the information provided to us about your business is accurate, complete and not contradicted by information contained in other documents, such as, but not limited to, your tax returns as filed and any other corporate filing documents or other documentation that lenders may request when reviewing your Application.

We cannot guarantee whether any amount of your PPP loan will be approved for forgiveness. You agree to hold us harmless from any and all claims arising from or related to the acceptance and approval of the Application and the ultimate forgiveness of the relevant portion of the SBA loan you received due to Dent Moses, LLP's good faith completion of services described in this Agreement.
